Hillsborough County General Election Update – Last Weekend of Early Voting

Hillsborough County, FL – Hillsborough County Supervisor of Elections Craig Latimer is reminding voters they can vote this weekend, and encouraging voters to cast their ballot – whether in person or by mail -- as soon as possible.

Hillsborough County's in-person Early Voting continues daily through November 1, with 26 sites open 7 a.m. – 7 p.m. Voters can vote at any Early Voting site during this period, and should visit the Early Voting page of VoteHillsborough.org to find a convenient location and check the wait time. Health and safety measures for in-person voting include social distancing and ongoing cleaning, which could cause longer wait times for voters.

Vote By Mail ballots must be in our office by 7 p.m. on Election Day to be counted, so voters should now drop their ballots off instead of mailing them. Secure Vote By Mail ballot boxes can be found at any of the Early Voting sites this weekend, 7 a.m. to 7 p.m. Weather permitting, voters don't even have to get out of the car – they can drive up to a curbside Vote By Mail tent to drop off their ballot. All four elections offices are included in the sites and the Robert L. Gilder Elections Service Center (2514 N. Falkenburg Rd.) has a 24-hour, monitored and secure drop box outside the main entrance. Vote By Mail ballots cannot be turned in at polling places on Election Day.

To find unofficial voter turnout for today and throughout Early Voting, visit VoteHillsborough.org and look for the 2020 General Election page or click the link in our homepage rotator. Turnout by method, party, precinct, location, and date is updated frequently throughout the day.
