2020 General Election Registration Deadline Approaching

Hillsborough County, FL – Florida voters have until Monday, October 5, to register to vote (if not already registered) for the 2020 General Election. Florida voters can update their name or address any time.

For those who still need to register to vote, the simplest way to make the update is online at RegisterToVoteFlorida.gov. Voters can also fill out a registration application at the Supervisor of Elections offices. All four offices are currently open 8 a.m. to 5 p.m., seven days a week. On October 5, our offices will be open extended hours until 6 p.m.
