### Hillsborough County Supervisor of Elections Wants to Deliver the Election to You

Hillsborough County, FL – Hillsborough County voters should watch their mail for new encouragement from Supervisor of Elections Craig Latimer to request Vote By Mail ballots for our upcoming elections.

“Vote By Mail is really the way to go in 2020,” said Supervisor Latimer. “Getting that request in now gives peace of mind to voters looking for a healthy, safe way to vote in August and November.”

The mailers going out today give voters three easy options for requesting mail ballots. The easiest way is to make the request online. They can also call the office or mail back an enclosed form.

The office has also recruited about a dozen local partners to help spread the word about Vote By Mail, and they're looking for more.

“It's a simple message – we deliver! We'll deliver the election to you,” said Latimer. “It just makes sense to remind people of the convenience of Vote By Mail when they're ordering delivery or picking up a to-go order.”

BurgerFi, La Segunda, Acropolis and The Blind Tiger are among those including Vote By Mail flyers with their orders.

“It's great to see so many people coming together to encourage people to get ready to vote,” said Latimer. “I've always said elections are a community project. We're in this together, because elections affect all of us.”

Hillsborough County voters can mail their voted Vote By Mail ballots back, no postage necessary. They can also drop their ballot off at any Early Voting site (during Early Voting) or at one of the four Supervisor of Elections offices. Florida's Primary Election is August 18, and the General Election is November 3. Vote By Mail ballots are due by 7PM Election Day.
