2022 General – Unofficial Results Reported

Hillsborough, FL – Supervisor of Elections Craig Latimer posted unofficial results for the 2022 General Election at VoteHillsborough.gov this evening. These results include Vote By Mail, Early Voting and all Election Day precincts. They do not include provisional ballots, ballots with signature issues that may be cured, and overseas ballots dated on or before November 8 that may be received through November 18.

The Canvassing Board is scheduled to meet November 12 at 9 a.m. to certify unofficial results in accordance with F.S.102.141.

At that meeting, the Canvassing Board will order a machine recount if any race or issue would be defeated by .5% or less of the total votes cast for that race or issue. If any recounts are ordered, they will begin November 13.

After the machine recount, a manual recount must be ordered if the second set of unofficial results indicates that a candidate or issue was defeated by .25% or less of the votes cast.

Official Results will be certified no later than November 18, in accordance with F.S. 102.112. Results can be found on the 2022 General Election page at VoteHillsborough.gov.
