## First 2022 General Election Ballots in the Mail

Hillsborough County, FL - Today, Hillsborough County Supervisor of Elections Craig Latimer sent more than 6,200 General Election ballots to absent military and overseas voters, and his office is preparing to mail more than 316,000 ballots to domestic voters on October 6.

Vote By Mail ballots are only available to registered voters who have requested one. The deadline to register to vote (if not already registered) for the General Election is October 11. Florida voters have until October 29 to request that a ballot be mailed to them.

"I encourage voters who want to vote by mail to make their request as soon as possible. And it's so easy. There's an online request form at [VoteHillsborough.gov](http://VoteHillsborough.gov) or voters can call my office to make their request," said Supervisor Latimer. Voters will need to provide their Florida Driver License, Florida ID or the last four digits of their social security number when making the request.

Registered voters are encouraged to visit [VoteHillsborough.gov/voterlookup](http://VoteHillsborough.gov/voterlookup) to confirm that their information is up to date and to take a look at their sample ballot, so they know what races they will be voting on.

"Now is the time for voters to visit my website and make their voting plan," said Supervisor Latimer. "Are you going to vote in person or by mail? Will you vote early or on Election Day? [VoteHillsborough.gov](http://VoteHillsborough.gov) is the place to go to review your options."

In-person Early Voting will be held in 26 locations in Hillsborough County from October 24 – November 6, 7 a.m. to 7 p.m., and voters can choose any of those locations during that time. Election Day is November 8, 7 a.m. to 7 p.m. Voters who wait until Election Day must vote in the polling place assigned to their precinct. More information, including the locations of the Early Voting sites and an Election Day precinct finder, is available at [VoteHillsborough.gov](http://VoteHillsborough.gov).
