REMINDERS FOR HILLSBOROUGH COUNTY ELECTION DAY REPORTERS AND PRODUCERS

VOTING:

- You may not take photographs or videotape inside or into a polling place on Election Day.
- Interviews with voters must be outside the polling place, after voters have voted. Poll workers are not authorized to do interviews. We are happy to arrange interviews with our Supervisor of Elections at our Elections Service Center at 2514 N. Falkenburg Rd. throughout the day.
- Each of our polling places opens at 7 a.m. and closes after the last person in line at 7 p.m. has voted.
- Voters must vote in the polling place assigned to their precinct. They can find their polling place at VoteHillsborough.gov or call (813) 744-5900.
- Vote By Mail ballots must be received in our office no later than 7 p.m. Election Day. Voters can drop them off at any of our four offices on Tuesday. Mail ballots may NOT be turned in at an Election Day polling place, but voters can have their mail ballot canceled if they want to vote in person instead.

TURNOUT:

- As of 12 p.m. today, approximately 34% of our eligible voters have voted. We will post unofficial turnout updates at VoteHillsborough.gov throughout Election Day. You can see overall turnout, party turnout and which precincts are the busiest.

RESULTS REPORTING:

- We begin reporting results at VoteHillsborough.gov after the polls close at 7 p.m. No results are reported before that time.
- We will open a media room in our Elections Service Center at 2514 N. Falkenburg Rd. at 6 p.m. and keep it open throughout results reporting. The results presented in the media room are the same results that appear on our website, VoteHillsborough.gov.
- Follow @HillsboroughSOE on Twitter. We tweet updates on the progress of our results reporting during the evening. If there are any technical issues during results reporting, that will also be shared on Twitter.
- Remember that the election results reported on Tuesday are unofficial and will not include provisional ballots. Voters have until 5 p.m. November 10 to submit cure affidavits for signature issues related to Vote By Mail or provisional ballots. Overseas ballots dated on or before Election Day may be accepted up to 10 days after Election Day. Official results will be certified by the Hillsborough County Canvassing Board by November 18, in accordance with Florida law.
