National Voter Registration Day is Today – Tuesday, September 20

Hillsborough County, FL – Thousands of people are celebrating National Voter Registration Day today, and Supervisor of Elections Craig Latimer wants to make sure citizens in Hillsborough County know how easy it is to register to vote.

“Voting is our opportunity to have a say in decisions that are made on a local, state and national level and I want everyone in Hillsborough County who is eligible to vote to make sure they’re registered and ready to participate in our democracy,” said Supervisor of Elections Craig Latimer.

In Florida, you must be registered by October 11, 2022, to vote in the 2022 General Election. If you’re already registered to vote in Florida, you can update your address at any time, even on Election Day.

The easiest way to register to vote is to go online and register at RegisterToVoteFlorida.gov. You must have a Florida Driver License or Florida ID and social security number to use the online voter registration system.

You can also find printed voter registration applications at many locations in Hillsborough County, including the four Supervisor of Elections offices, as well as driver license offices, public libraries, public assistance offices, and armed forces recruitment offices.

Hillsborough County already has more than 918,000 registered voters. Supervisor Latimer encourages voters who are already registered to visit VoteHillsborough.gov/voterlookup and check to make sure their voter information is current. The website has information on how to make updates, if needed.

“While you’re on my website, take a look at our VoteHillsborough Video Series,” said Supervisor Latimer. “This long series of short videos gives you an inside look at the work that goes into conducting elections and ensuring accurate results reporting.”
