**Hillsborough County Supervisor of Elections Statement on  
Misinformation Related to Konnech**

In an ongoing effort to provide truthful and accurate information about how I conduct elections for the citizens of Hillsborough County, I want to dispel misinformation about my office's relationship with a company called Konnech.

The Hillsborough County Supervisor of Elections is not using any of Konnech's products or services. We have never provided them with any poll worker data. We have never used the company's poll worker management system.

I encourage anyone who would like to know more about our elections to visit my website, [VoteHillsborough.gov](http://VoteHillsborough.gov). We share information about the technology we use to conduct our elections on our website here: <https://www.votehillsborough.gov/About-Voting/Three-ways-to-vote>. I also encourage voters to watch the videos on our website that show how the technology is used. Our VoteHillsborough Video Series can be found here: <https://www.votehillsborough.gov/VOTERS/VoteHillsborough-Video-Series>.

I have said this before, but it bears repeating. Providing citizens with a voice in our democracy and ensuring the integrity of the elections process is a sacred duty that I take seriously. I am committed to serving as a trusted source of information about voting and elections in Hillsborough County.
