

In accordance with F.S. 98.075, the individuals listed below are potentially ineligible to be registered to vote. If your name is listed, you may contact our office within 30 days of the date of this notice to receive information regarding the basis for the potential ineligibility and the procedure to resolve the matter. Failure to respond within 30 days of the date of this notice may result in a determination of ineligibility by the Supervisor of Elections and removal of your name from the statewide voter registration system. If you deny the accuracy of the information underlying the potential ineligibility, you have the right to request a hearing for the purpose of determining eligibility. If you attempt to vote at an Early Voting site or your normal Election Day polling place, you will be required to vote a provisional ballot. If you vote by mail, your ballot will be treated as a provisional ballot. In either case, your ballot may not be counted until a final determination of eligibility is made. If you wish for your ballot to be counted, you must contact the Supervisor of Elections Office within 2 days after the election and present evidence that you are eligible to vote.
