VOTEHILLSBOROUGH FUTURE VOTER ART CONTEST

"When we're out in the community sharing information about voting and elections, we give Future Voter stickers to children as a reminder that they will be able to participate in our democracy one day, too. They love the stickers, and getting a sticker that's been designed by someone their age will be even more special."

Supervisor of Elections Craig Latimer

Kids – Here's What We're Asking You To Do

Design a **Future Voter** sticker that you would be proud to wear. It should be patriotic, inspiring and fun – a reminder to others that you will participate in our democracy when you get older.

Here's What We'll Do

We will select three elementary school finalists and three middle school finalists. An elementary school and middle school finalist will each be named grand prize winners. The grand prize winners' design will be reproduced as 2"x2" round stickers and given to young people throughout Hillsborough County. All of the finalists will be recognized at a School Board meeting and receive prizes from our contest sponsors. The art will also be featured on our social media channels, in displays at our offices and in other outreach efforts conducted by the Hillsborough County Supervisor of Elections Office.

Sponsors

ZooTampa, The Florida Aquarium, and Glazer Children's Museum are sponsoring this contest and will provide the prizes. We're thrilled to have their support for this program!
