Up Next: The General Election

October 2020

We are just a few short weeks from Election Day, and voting in the 2020 General Election has begun. If you haven't voted yet, here are the details you need to cast your ballot.

YOU DON'T HAVE TO WAIT UNTIL ELECTION DAY TO VOTE

Vote By Mail

We have mailed out more than 355,000 Vote By Mail ballots to registered voters who have requested one. It's not too late for you to take advantage of the most convenient way to vote! Visit VoteHillsborough.org, call us or come by any of our offices to request a mail ballot. **When you are ready to return your ballot, we pay the return postage.**

Would you rather drop your ballot off in person? We have secure ballot boxes and curbside drop-off at our four offices (*open seven days a week through Election Day*) and at our 26 Early Voting sites (*during Early Voting*). We even have a new 24-hour drop box at our Elections Service Center. **Don't forget to seal, sign and date the envelope before returning your mail ballot!**

Election Day

November 3 is your **LAST** chance to vote, and you must vote in the polling place assigned to your precinct. If you aren't sure where your polling place is, call (813) 744-5900 or visit VoteHillsborough.org/AreYouReady.

What To Bring When Voting In-Person

- Make your voting decisions before you leave home, and bring your sample ballot with you for reference.
- Bring a current and valid photo and signature ID to the polls. If you don't bring ID, you may vote a provisional ballot. Florida accepts these forms of photo identification:

- Florida Driver License
- Florida ID Card (*issued by the Dept. of Highway Safety and Motor Vehicles*)
- U.S. Passport
- Debit or Credit Card
- Military ID
- Student ID
- Retirement Center ID
- Neighborhood Association ID
- Public Assistance ID
- Veteran Health ID (*issued by VA*)
- Concealed Weapon License (*issued pursuant to s. 790.06*)
- Government Employee ID

Our Commitment To Safe, In-Person Voting

In-person voting looks a little different this year, but it won't be unfamiliar. We're encouraging everyone to wear masks, and requiring poll workers and poll watchers to wear them at all times. Only a limited number of people will be allowed inside at one time, to ensure social distancing. Face shields or plexiglass barriers will protect voters and poll workers. And, every voter gets their own combination stylus/pen to sign in and mark their ballot.
