HAPPY HOLIDAYS

This holiday season, I'd like to take a moment to express my gratitude for the many community partners that help us to share information about voting and elections. Elections are truly a community project and the more we work together, the closer we'll come to making Hillsborough County the best place in America to vote.

Thank you...

...to the Tampa Bay Buccaneers, Tampa Bay Lightning, Tampa Bay Rays, Busch Gardens, ZooTampa, Florida Aquarium, USF, UT, HCC, Hillsborough County Public Libraries, Hillsborough County Public Schools, our many chambers of commerce, and the list goes on.

DO YOU VOTE BY MAIL?

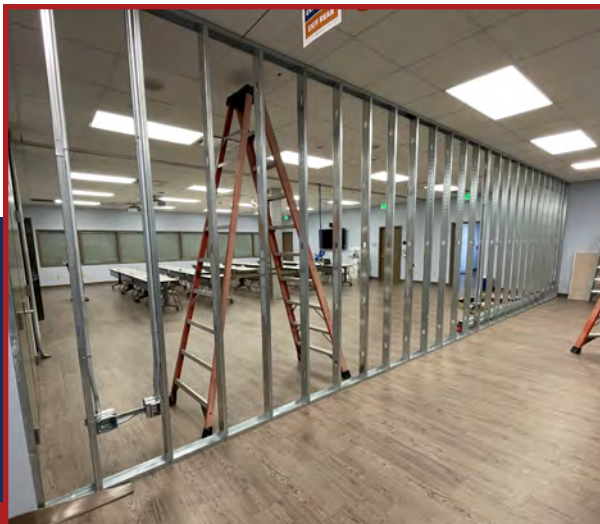

In 2024, we'll be using BallotTrax to send you an email when your requested Vote By Mail ballot is mailed out, and when we receive your voted ballot back. You can also add text or phone notifications and choose your preferred language and contact hours.

Visit VoteHillsborough.gov/TrackMyBallot to sign up.

Mail Ballot Locator & Notification System

Don't forget: If you want to vote by mail, you must submit a new Vote By Mail request after every General Election. The quickest way to make your request is to visit VoteHillsborough.gov/VoteByMail or call (813) 612-4180.

New Year, New Space

We're expanding the Early Voting area at our Elections Service Center to better serve our growing county. This is one of our most popular Early Voting sites, and we expect to serve a lot of voters here during the presidential election cycle.

the last word

Our offices will be closed for the holidays December 25, 26 and 29, and January 1 and 2. However, VoteHillsborough.gov is open 24/7 to provide you with a trusted source of election information.
